EXECUTIVE COUNCIL APPROVES GIVING PLAYERS LETTERS

Twenty Hockey and Basketball Players Will Receive Letters

PRETTYMAN MADE MANAGER

Robson Chosen Secretary—Will Act as Deputy Manager

At the meeting of the Executive Council held last Wednesday evening, March 11, recommendations were made for the awarding of letters in basketball and hockey. A rule was passed compelling managers of all activities to present budgets for their expenses for the following year. Mr. Prettyman was elected general manager and it was voted that the secretary of the Council should act as deputy manager, to supervise the finances of the Musical Clubs, Charlatans, and debating. Frank H. Robson was elected secretary.

W. Fenn Hoyt, manager of basketball, recommended the folloing men for letters: Capt. Hatch, Payne, Marquardt, Howk, Esch, Rowley, Jacobson; for full numerals: Croasdaile, Stone, Thomas, and Springman; for half numerals: Burns. On the recommendation of the manager and the captain of the sport, the council voted to these men the proper insignia. Hoyt nominated for the managership of basketball for 1925-26 Frank C. Nichols, who was unanimously elected.

Hockey Letters

James I. Farrell, manager of hockey, recommended the following men for letters: Thompson, Yates, H. Valentine, J. Valentine, Johnson, Kaiser, Stanley, Van Vleet, MacLean, Mann, Fuess, Browne; for full numerals: Bald, Beardsley, Briggs, Gillespie, Hassard, Heyl, Ingalls, Scovel, Strong and Watters. Farrell nominated for the managership of hockey for 1925-26 W. H. Freeman. Mr. Freeman was unanimously elected.

A motion was made and carried to pass a rule stating that: "All activities represented in this council should file their budgets at the last meeting of the year, and all activities which have not reported budgets at that time will be automatically cut from participating in the funds for appropriations. Unless a detailed expense list of the preceding year has been filed with the treasurer an appropriation will not be granted."

John Gualtieri, manager of debate, nominated for the managership of debate for 1925-26 George G. Tyler, who was unanimously elected.

The subject of the election of captains was brought up. The following rule was adopted: "A notification of at least 48 hours must be given by the manager before the appointed time of the meeting. At least 75% of those eligible to vote for the captain must be present at the meeting. A majority of those voting shall be necessary for the election of the captain, and there shall be no consultation during the progress of the election."

The question was brought up of the appointment of a deputy who should approve the vouchers of the Musical Clubs, Charlatans, and Debate. After deliberation it was decided that a member of the student body would be more closely in touch with these organizations than a member of the faculty, and for this reason would be in a better position to check them at home and away. This position was delegated to the secretary of the Council. Frank H. Robson was nominated and unanimously elected secretary of the Council for 1925-26.

UTICA ACADEMY BEATS FRESHMAN DEBATERS

The Hamilton College freshman debating team was defeated by the Utica Free Academy team last Friday night on the question of the Child Labor Amendment. The Hamilton team upheld the affirmative side of the question. The men on the team were Hayes, Lee, and Roberts. The men representing the Academy were Gallo, Lafferty, and Myers.

The judges were Attorneys A. Merrill and G. E. Philo, and Judge H. M. Lewis of Utica. The decision favored the Academy men 3-0. The Utica debaters gave a clearly superior performance to that of the Hamilton freshmen and especially excelled in the rebuttal.

—Herbert H. Parsons, '82, of Brooklyn died March 5. He had been a teacher of history for 22 years in the Boys' High School.

VAN VLEET ELECTED CAPTAIN OF HOCKEY

He Has Played Brilliant Game at Left Defense

At a meeting of the varsity and freshman hockey squads at Coach Prettyman's house last Tuesday evening, Gilbert L. Van Vleet, '26, was elected captain for next season. He lives in East Orange and belongs to the Theta Delta Chi fraternity.

At 8:30 o'clock the men assembled at Mr. Prettyman's, and after reshments had been served, they proceeded to the business of the evening without any speeches or other formalities. Van Vleet was chosen upon the first ballot.

GILBERT L. VAN VLEET

Van Vleet was high scorer on the 1922-23 freshman hockey team, third high scorer last season, and this past season he scored 14 times, four less than Captain Thompson's record. He played a brilliant game at left defense, and should prove an able leader for the 1925 skaters. The line-up next year will probably include Mann, MacLean, Hassard, T. Bald, Stanley, and the captain-elect.

CHARLATANS PLAN TRIP TO WELLS COLLEGE, APR. 4

The Charlatans have obtained such success in giving "Outward Bound," both in the Clinton and Utica performances this year, that they will again present the play during the Spring vacation at Wells College on April 4. After the Easter recess it is also planned to give a performance at Cortland, although the exact date has not been decided upon. Undoubtedly the Cortland performance will be the last time that "Outward Bound" will be given.

Shortly after Easter, work will be begun on another play which will be given in Utica sometime in the spring and probably at Commencement in June. The new production has not yet been selected but will doubtless be a well known play of Galsworthy or Shaw.

—Students who wish to submit any poems for possible inclusion in this year's College Anthology are requested to send their contributions not lated than May 15 to Dr. Henry T. Schnittkind, the Stratford Co., 234-240 Boylston St., Boston, Mass.

Hamilton Fencers Victorious Over West Point Men in Foils and Epee

Superiority of Army Saber Team Give) Cadets 9-8 Victory—Scott Wins All His Bouts—Epee Men Take Three Out of Four Matches—Saber Team No Match for Army.

After winning the foils and epee contests, Hamilton was unable to take a single match in the sabres, and lost to the Army fencers last Saturday evening at West Point by a 9-8 score. The match, closely contested throughout, was the most interesting seen at West Point this year.

Scott covered himself with glory by taking all three of his foils matches. Scott was at his best and only one of the opponents, Lynch, was able to carry him to a 5-4 count. Packer and Lynch both succeeded in taking two of their matches.

The epee team showed unexpected strength, copping three out of their four matches. Scovel was victorious in both of his bouts, while Gregory broke even in his two matches.

The Cadet sabre team, undoubtedly the strongest in intercollegiate circles, had no trouble in disposing of their opponents.

The foils events were the most closely contested matches on the card. Hamilton went into the lead on successive victories by Packer and Scott, only to have the score tied up a little later by dropping two matches in a row. The score see-sawed back and forth until the next to the last bout when Scott made a Hamilton victory certain by defeating Barth.

In the epee the Buff and Blue fencers started out as though they were going to make a clean sweep of that event, but the final bout went to Ford of the Army and saved the home team from a shutout.

Leading by a total of eight bouts to five. Hamilton's chances for a victory in the meet seemed bright. But neither Kutz nor Michels were able to do anything against the superior sword play of the Army sabre team, and Hamilton was forced to take the short end of a 9-8 score.

The summary:

Foils

Packer, Hamilton, defeated Munson, Army, 5-2. Scott, Hamilton, defeated Munson, Army, 5-3. Munson, Army, defeated Kittell, Hamilton, 5-2. Lynch, Army, defeated Packer, Hamilton, 5-3. Scott, Hamilton, defeated Lynch, Army, 5-4. Lynch, Army, defeated Kittell, Hamilton, 5-3. Packer, Hamilton, defeated Barth, Army, 5-3. Scott, Hamilton, defeated Barth, Army, 5-2; Barth, Army, defeated Kittell, Hamilton, 5-2. Score: Hamilton 5, Army 4.

Epee

Gregory, Hamilton, defeated Haskell, Army, 1-0. Scovel, Hamilton, defeated Haskell, Army, 1-0. Scovel, Hamilton, defeated Ford, Army, 1-0. Ford, Army, defeated Gregory, Hamilton, 1-0. Score: Hamilton 3, Army 1.

Sabers

Champlain, Army, defeated Kutz, Hamilton, 5-2. Champlain, Army, defeated Michels, Hamilton, 5-1. Mayo, Army, defeated Michels, Hamilton, 5-2. Mayo, Army, defeated Kutz, Hamilton, 5-1. Score: Army 4, Hamilton 0.

Final score for meet: Army 9, Hamilton 8. Director, A. P. Walker, Yale. Judges, Camerle, Saltus Club, and Goodfellow, N. Y. A. C.

PRIZES FOR ORATIONS ON THE CONSTITUTION

Hamilton Students Are Eligible for Contest in California—Prizes Total $5,000

Something new in the oratorical line is to appear this spring. It is to be a national intercollegiate speaking contest run under the auspices of the "Better America Federation of California" situated in Los Angeles, Cal. The speeches are to be ten minute orations on the Constitution.

The rules of the contest are as follows: The orations must be original and must not require more than ten minutes for delivery, and must be on one of these subjects: The Constitution; Washington and the Constitution; Hamilton and the Constitution; Jefferson and the Constitution; Marshall and the Constitution; Madison and the Constitution; Webster and the Constitution; and Lincoln and the Constitution. Any bona fide undergraduate student in any college or university in the United States is eligible.

Territory Sub-divided

All the colleges of the country are parcelled into seven regions of approximately 60,000 students each, although the number is much larger in the case of some of the divisions. Hamilton comes within the Northern Division.

Each participating institution is to choose its own representatives and to have only one representative. All of the representatives in each region are to be narrowed down to seven. These seven are to compete among themselves in the month of May, in the case of the Northern Division May 14, for the regional championship. These seven regional champions are to compete in Los Angeles on June 5 for the national honors and awards, each of the seven finalists being assured a cash prize ranging from $300 to $2,000.

In order to narrow down the contestants in each region to seven, and at the same time avoid putting participants to unnecessary traveling expenses, the initial regional selections will be based upon the orations in a written form. These seven will then compete oratorically for the regional championship.

Seven Prizes

The prizes total $5,000. There are seven prizes in all. The first prize is $2,000, the second is $1,000, and the other five prizes $300 each.

The faculty has passed favorably on the question of allowing Hamilton men to participate, and Prof. Lewis is ready to talk with any undergraduate interested in this undertaking. The representative speech for Hamilton will be chosen after the method used in choosing Clark Prize orations. Further information concerning the writing and submitting of essays, as well as information regarding the system of judging, etc., may be obtained from Professor Lewis.

DEBATERS MEET UNION, LAFAYETTE, BOWDOIN

Union Contest on Hill Friday—Teams Travel to Easton and Brunswick

After defeating Yale and Williams, the Hamilton College debate team looks forward with high hopes to the rest of the season. A dual debate with Bowdoin College, Brunswick, Maine, and a triangular debate with Union and Lafayette yet remain.

This is the first time that Hamilton has ever debated Bowdoin. The Maine college has, however, an enviable record in debate, and has given a good account of itself in debates with other colleges within the state, such as Bates. The question for debate with them is: Resolved, that the proposed child labor amendment to the United States Constitution should be ratified by the several states. Hamilton travels to Bowdoin to debate on Monday, March 23. This affirmative team consists of Briggs, '25, Chretien, '26, and G. Tyler, '27, with Fulton, '26, as alternate. Both Briggs and Tyler were members of last year's team. The Hamilton negative team deabtes here with Bowdoin on Wednesday the 25th, and is made up of Braunton, '25, Harding, '25, Wilcox, '27, and Bookhout, '27, alternate. Harding, Braunton and Bookhout are veterans.

Argue Supreme Court

Last year, Hamilton defeated Union in the triangular debate, and was defeated by Lafayette. The question this year is the same as that debated last year with Hobart: that the decisions of the Supreme Court should be overruled by a two-thirds vote of Congress. Connell, '25, Lehmann, '25, and Bohn '26, with Steel, '25, as alternate, will travel to Easton, Pa., while Gualtieri, '25, Toaz, '25, and Shiro, '26, with Walbridge, '26, as alternate meet Union in the College Chapel. This debate is held on Friday, the 20th. The Lafayette team has not suffered any by graduation, and is doubtless as strong as last year. Hamilton will have to work hard to beat them.

The system of only one man rebutting for the affirmative, as carried out in the Yale and Williams debates, will not be followed in these two contests, since our opponents would not agree to use it. The ordinary system of each man speaking in rebuttal will be followed.

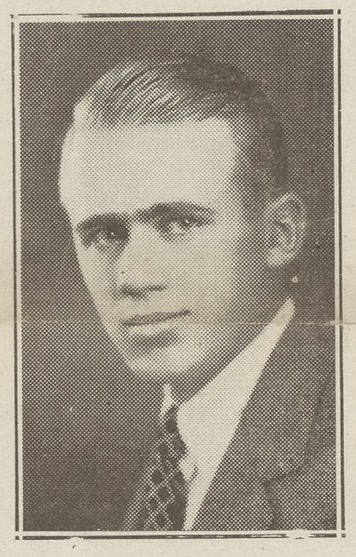
ELEVEN STUDENTS GO TO INFIRMARY

During the past week eleven students took advantage of the facilities ffered by the new infirmary located in the Old Library building. Practically all of the cases were of the "flu," one or two men being quite ill. The severest case was that of Darwin Pickard, '27. Two men, Lyon, '26, and Wylie, '27, suffered relapses and returned to the infirmary after having been discharged earlier in the month. Two nurses from Faxton Hospital, Misses McMahon and Durphy, were on duty during the week. George Slaughter, '26, acted as interne during part of the time. The following men were or still are in the infirmary: Lyon, '26; Payne, '26; Ferris, '27; McKernan, '27; Pickard, '27; Wylie, '27; A. L. Wheeler, '27; F. G. Allen, '28; H. W. Allen, '28; Brasted, '28; and Cooper, '28.

PAYNE WILL LEAD BASKETBALL TEAM

Varsity Regular for Two Years—Consistent Scorer

Deming S. Payne of Liberty, N. Y., was elected captain of next year's basketball team at a meeting of the letter men held at Coach Prettyman's last Thursday. Payne has played both the guard and forward positions on the varsity for two years, and has played a consistent game throughout. Altho starting the season as a forward, he was changed to the Buff and Blue backfield later on. He played well in both positions and is an able successor to Jack Hatch, who captained this year's outfit.



DEMING S. PAYNE
(Photo by Obenaus

"Demmy" played in every game on the schedule, and finished second in individual scoring, ranking next to Captain Hatch. In the fourteen games Payne accounted for 28 baskets from scrimmage, and scored 24 fouls, making a total of 80 points for the entire season.

This is the second captaincy to fall to Payne, since he was also elected last fall to head next year's soccer team. He also played right field on last year's baseball team. Payne is a member of the Chi Psi fraternity.

Although the loss of the services of Captain Hatch may prove somewhat of a setback for Hamilton, the outlook for next season is brighter than it was last year, inasmuch as he is the only varsity man lost by graduation. Coach McBride has Captain-elect Payne, Esch, Marquardt, Howk, Stone and Thomas as a nucleus around which he can build next season's team, besides the promising freshman players, Rowley and Jacobson. It is hoped that the team will not be so greatly hampered by numerous ineligibility as it was this year, and again, the entering freshman class can usually be depended upon to furnish at least one good man.

PERFORMANCE OF "GHOSTS" POSTPONED BY THE CAST

The performances of "Ghosts" which were to be given on the Hill by the Charlatans' Workshop before the Spring vacation have had to be postponed until after Easter. This is due to the fact that extra work has had to be put on "Outward Bound" by the Charlatans and also to the illness of Charles P. McKernan, '27, who takes the part of Pastor Manders in Ibsen's play. It is probable that the play will be presented only on the Hill although the Players Club of Utica has requested that the Workshop players give a performance of "Ghosts" in Utica.

COLLEGE CHOIR RETURNS FROM TRIP TOMORROW

Concert in Utica Followed by Appearances in New York, Scarborough, Bridgeport and Huntington

BROADCAST FROM WEAF

Sang at Private Performance in Booth Theater Yesterday

The college choir returns to the Hill tomorrow morning, after completing a four-day trip to New York City and environs, including in the itinerary concerts at Scarborough, Bridgeport, Conn., New York City, and Huntington, L. I. Previous to leaving Clinton on Saturday morning, the choir gave a recital at Westminster Presbyterian Church in Utica Friday evening. Last night, following a matinee presentation at the Booth Theater, twenty-five of the men broadcast a short program from WEAF. This evening concludes the concerts when the Hamilton singers appear at the Central Church of Huntington.

If the Utica concert is a fair example of the following appearances, the entire trip will have been a decided success. Nine hundred persons who were at Westminster Church Friday night formed a most appreciative audience. The Utica Press in commenting on the program was very complimentary.

Johnson Manages Trip

So that Professor Fancher may devote all his time and attention to the concerts, Field Secretary Johnson, as business manager, is making the trip with the choir, having charge of all travelling arrangements and other matters which do not concern the actual singing. He distributed to each man, after rehearsal on Thursday evening, detailed directions for train connection and other appointments from the time of taking the Clinton trolley last Saturday morning to the arrival on the Hill in time for the second hour tomorrow.

On Saturday evening the first concert of the trip was given at Briarcliff Lodge, a large country hotel near Scarborough. The concert served as the main entertainment of a dinner dance at which the members of the choir were guests. The men were entertained that night at the homes of parishioners of Rev. Anthony N. Peterson, D.D., '95.

Sing in Bridgeport

On Sunday morning a number of the men took advantage of an opportunity to attend morning worship at the Cathedral of St. John the Divine in New York with Professor Fancher. All met at the Grand Central in the afternoon where they boarded a train for Bridgeport, arriving in time for supper there at 5:30. The concert was given in the First Presbyterian Church, of which Rev. Alexander Allison, Jr., '96, is pastor.

The choir left Bridgeport yesterday morning, arriving in New York again at 10:30. Perhaps the most important concert of the trip was given yesterday afternoon at the Booth Theater, West 45th Street. This affair, arranged by Alexander Woollcott, '09, one of New York's most prominent dramatic critics, was attended by a large number of that city's well known musicians and music lovers, admittance being by invitation only. Last night at 10 o'clock 25 members gathered at the WEAF studio to broadcast a half hour of music. For the purpose of this short concert, the New York station was connected with the important radio stations of the East so that the Hamiltonians were heard all over the country.

This afternoon the delegation leaves New York for Huntington where the last concert of the trip will be given at the Central Church, of which Rev. Edward J. Humeston, '99, is pastor. The men will leave immediately after the program has been given in order to reach New York to catch the Midnight Express for Utica. Arriving at 7:50, the choir will breakfast in Utica, leaving for Clinton in time to be on the Hill for second hour classes in the morning.

Nothing has been heard as yet from President Ferry since he left on his trip to California. He is presumed to have arrived at New Orleans on Friday last, having gone from there by boat. From the southern seaport he was to have taken the "Sunset Route" of the Southern Pacific line to Los Angeles. Definite word will probably be had from him in a few days.

An Achievement.

The college choir tomorrow returns from a series of five concerts. Everywhere they have sung they have received enthusiastic praise; after their performance a month ago in Syracuse Professor Fancher was given three offers for return engagements. The invitation to broadcast from a leading radio station was a sign of high recognition. These performances of the choir reflect great credit to the college. Their singing is more than mere amateur work; in the places where they have sung, musical people, who are hard to please, have been complimentary about their work. Professor Fancher has discrimination and the ability to execute his ideas with the group of songbirds available. The concerts are bringing Hamilton excellent publicity, and the choir and its leader deserve the thanks of the college.

The Mail.

Two weeks ago **Hamilton Life** began a campaign for better mail service. The service is not satisfactory and an appeal should be made to Federal authorities to increase the facilities. The Clinton officials, however, have added another delivery of letters. Letters are being delivered along with the packages which are brought up the Hill every afternoon. This is an improvement and an evidence of a desire to cooperate with the college.

There are a few things which students can do to minimize the mistakes in delivery of letters on the Hill. With 394 students, the clerks cannot be expected to know the address of every one of them, so in their correspondence the students should be sure to designate in what house or dormitory they live. Whenever they change their address they should notify the post office immediately. An investigation and complaint so far has resulted in another letter delivery. Let us carry it further if possible.

Debating.

This is the time during the college year when hockey and basketball are memories, and baseball only a subject for speculation. One activity, however, is now at its height and is taking the time and energy of a group of students. It is intercollegiate debating. The success of a debater's speech depends upon the size and sympathy of his audience. A speaker cannot make a convincing appeal to rows of empty pews.

The men who take part have spent hours of work preparing their arguments and they are well informed on their subjects. The students should attend debates as they do games and help the speakers. Intercollegiate debating is usually a source of information for the listener as well as amusement. Support the debaters.

ROOT FELLOWSHIP GOES TO L. A. WOOD, '25

It was announced in chapel several days ago that Lawrence A. Wood, '24, had been appointed by the faculty to the Root Fellowship in Science. It is granted ordinarily for a single year of graduate study at some American or European university approved for that purpose in each individual instance by the Faculty. It bears a stipend for the year of $500. Wood is a member of the Emerson Literary Society, and lives in Peekskill. He was a member of the Hamilton debating team that won a victory over Yale several months ago.

The Root Fellowship in Science was established in 1894 by Elihu Root of the class of 1864. At the request of the Faculty, the fellow shall, on some suitable date between the spring recess and Commencement, give a lecture or address to the College on a subject appropriate to his work of the year.

Any member of the senior class who has proved himself of a high order of scholarly attainment and has shown marked ability and special aptitude for research in one or more of the departments of science may be nominated to the Faculty for this award by the professors of those departments. From the men thus nominated, the Faculty selects by ballot by a two-thirds vote one who shall be recommended to the Trustees for appointment.

Some previous winners of this award are: Irving Steel, '24, Louis George, '23, Henry C. Smith, '22, Henry U. Hopkins, '21, Leland M. Rice, '20.

IN ORMAL DANCE AT PSI UPSILON HOUSE

The Hamilton chapter of Psi Upsilon is holding an informal dance tonight at their chapter house. Arrangements are being made to make the event in the nature of a St. Patrick's festivity. Representatives of Psi U chapters in the nearby colleges, as well as many alumni of the fraternity will probably be present in addition to the upperclassmen of other crowds on the Hill.

Dancing will begin at 8 o'clock and continue until 12. The Buff and Blue Orchestra has been engaged to furnish the music. Mrs. Nelson C. Dale and Mrs. C. H. Davis of Buffalo have consented to act as patronesses of the occasion.

COPY FOR HAMILTONIAN HAS GONE TO PRINTER

The 1925 Hamiltonian has reached its first landmark and is now out of the hands of the Board. The first proofs came back from Rochester for correction last week. The making of this year's Hamiltonian is rather complicated but the results will more than pay for the extra labor. The setting up is being done by the Rochester Monotype Company. The actual printing is being done by the Courier Press, Inc., in Clinton, and then the books are to be sent to Molloy's in Chicago where the covers are to be put on.

The Board has ordered 365 copies this year, enough for everyone who was foresighted enough to order one in advance, and there will probably be a few left over for those desiring them when the time comes. Although there is still considerable work to be done, it is expected that the books will be on sale about the first of May.

We would like to add in this connection that many of the notices posted about college are not to be taken in a strictly literal sense. For example, there is the one at the head of the stairs in the gymnasium, "**WEAR NOTHING BUT GYMNASIUM SLIPPERS ON THIS FLOOR.**" This has alarming possibilities, and might almost be worked up into an acceptable drawing for the next issue of the "Gaboon."

MUSICAL CLUBS CONCERT IN UTICA ON THURSDAY

Dance After Hotel Utica Performance —Special Trolley to Clinton

This week the college Glee and Instrumental Clubs will give two concerts in Utica, one on Wednesday night at Roosevelt School and one on Thursday night, March 19, in the ballroom of the Hotel Utica. These two concerts will be the last appearances of the clubs before their Easter trip, which will begin on March 30 and will include six appearances in New York and the commuting communities, as well as broadcasting on April 4 from Station WEAF.

The concert in the Hotel Utica will commence at 8:15 sharp. A dance will follow the performance. It will begin about 10:30 and last until 2 o'clock. Music for dancing will be furnished by the Buff and Blue Orchestra. After the dance a special trolley will leave Utica to bring back to the Hill all the students who remain to dance.

Although it has been impossible to get a detailed program of the concert, it is possible to give some of the features that will be incorporated in it. There will be solos by A. Russell Thompson, '25, leader of the Glee Club, and several saxophone solos by Morris B. Mahannah, '25, leader of the Instrumental Club.

Good Program

The Glee Club will probably sing the following numbers: Beethoven's "Creation's Hymn; Abt's "Ave Maria;" "The Song of the Volga Boatmen"; Dowling's "Come Again, Sweet Love;" "Bright Hamilton;" and "Carissima."

The Instrumental Club will play a number comprising several extracts from Wagner, which mingles classical music with a jazz rendition, including "The Evening Star" strain, the March from Tannhauser, and the "Niebelungen" Ring. Another selection will be "Les Patineurs," adapted from Waldteufel's Waltz. The club will also play a combination of several popular pieces.

As for the novelty acts, Mahannah, '25, Burke, '25, and Robson, '26, will put on something similar to their act at the Winter Carnival concert, using banjoes, clarinets, kazoos, and harmonicas. It is probable also that Bald, '27, will again act his pantomime of The Three Trees, assisted by Mahannah, who will give the musical effects.

Thirty-seven men will take part in the performance, which will conclude with the singing of "Carissima" by the clubs and the audience.

Tickets for the concert may be obtained from the manager, Philip E. Robinson, '25, or from any one of the sophomore competitors for the managership.

Easter Trip

The first appearance of the combined clubs during the Easter recess will be at Brooklyn on Monday, the 30th of March. The following night they will appear at Montclair, N. J. The next night the concert will be in Jersey City, and the following evening in New York City. This performance will take place in the Astor Galleries of the Waldorf-Astoria Hotel. It is the most important concert of the trip, and it is expected that a large number of the alumni from New York will attend. The last two nights of the week, the clubs will appear at Huntington, L. I., and at New Rochelle.

A personnel of 35 men will be taken on the trip. The program has not been definitely decided, but there will be the usual songs by the Glee Club and ensemble playing by the Instrumental Club, as well as several solos and a novelty act.

After the Easter recess, the clubs will undertake a trip to the western part of the state the week-end of Apr. 16-18. The itinerary will include Batavia, Buffalo, and probably Niagara Falls.

SPRING SOCCER PRACTICE WILL START AFTER EASTER

Coach Gelas expects to start spring soccer practice as soon after the Easter vacation as the field will be in condition. Last year it was not possible to have this practice, for the old field in front of the hockey building was being torn up in the construction of a basement for the new science building. This spring, however, it will be possible to use the field played on last fall.

There will be conditioning work and practice on the rudiments of the game. All soccer men who are not out for some spring sport will be encouraged to take advantage of this practice. It will be necessary to develop as soon before next season as possible a lineman and a halfback to take the places vacated by the graduation of Captain Hatch and Brown.

Alumni News

BY W. H. SQUIRES

—Ernest Griffith ,'17, has just completed his work in Oxford for the degree of Doctor of Philosophy. His examinations took place in February. For five years Griffith has been investigating the conditions in cities in order to secure the facts presented in his thesis on "The Government of Cities." The professor under whom he chiefly studied remarked that the thesis was of such merit that publishers ought to be found who would publish the document at their own risk. Mr. Griffith has been engaged in a social settlement project in Birmingham and has succeeded in raising a large fund for constructing suitable buildings for carrying on his special work.

—Superintendent Arthur F. Newton, '07, Baldwinsville, has been conducting the schools of that place so efficiently that he has persuaded the people to vote about a half million dollars for the erection of a new High School Building. This is a vote of confidence that speaks in big figures. Professor Newton has had a long and successful career as teacher, as Vice-Principal of Utica Free Academy, and is now entrenched in the high regard of the people of Baldwinsville.

—Rev. Dr. McGregor, '97, has been in South America since last November in the interests of the General Assembly of the Presbyterian Church in America investigating the condition of the people there, not under the authority of the existing church, to discover whether there is sufficient opening for missionary activity of his church. It is expected that the results of this investigation will take the form of a book as soon as the material can be prepared for the press.

—Rev. Franklin C. Fry, '21, has accepted a call as pastor of the Evangelical Lutheran Church of the Redeemer in Yonkers, and will enter upon his new duties shortly after his ordination. Fry was graduated from Rochester East High School, was valedictorian of his class in Hamilton, spent one year in study in the American School in Athens, made an extensive tour of Egypt, Palestine and the Near East, and is now President of the student body of the Theological Seminary at Mount Airy, Philadelphia. He will be graduated from the Seminary May 26th and will be ordained in the Lutheran Chapel at Cornell University during the session of the New York and New England Synod on June 9th. Fry distinguished himself as an intercollegiate debater, orator, and leader in College.

—A member of the class of 1869, for long years a teacher of Greek and Latin, and a firm believer in the old time literary ambitions of the students of Hamilton College, is anxious to see the Literary Monthly, known as "The Lit", revived and devoted to the publishing of the literary prize efforts of our students. He even thinks that there might be some alumni who would be willing to help finance such an undertaking. The Lit for years published all the orations, essays and high class productions presented in the Chapels of the Department of Oratory, and the alumni were always intensely interested in these articles. Melvin Dodge, '90, while on the Faculty, published the Clark Prize Book, and the Head Prize Orations on Alexander Hamilton. It has been said by a non-graduate of Hamilton that these books present speeches of literary merit not equaled by any other college in America. The old Lit was full of much excellent material and the alumni would be delighted to be able again to read these literary productions through that time-honored publication. The Alumni Notes of former times would likewise help the classes to keep in touch with their members. The Alumnus of 1869 here quoted believes that the Lit can be revived and supported.

—Superintendent E. R. Whitney, '89, Schenectady, has been interested in the contest between the assessors of his city and the fraternities whose houses are situated on the campus of Union College. The representatives of these fraternities have twice convinced the assessors of Schenectady that their houses on the campus are not taxable. Over $175,000 assessed valuroll on the ground that this property ation has been stricken from the tax and that the fraternities hold only a is by law the property of the College lease from the college authorities. The fraternity houses on the Hamilton campus should be relieved from taxation by the same reasoning. Whitney has been deeply interested in this contention and has for some time insisted that Hamilton's fraternities have been paying an unnecessary and burdensome tax.

THETA DELTS ENTERTAIN ON SATURDAY AFTERNOON

The Theta Delta Chi fraternity will give a tea dance next Saturday afternoon from 4 to 7 at their new house on the campus. The "Isle of Blues" Orchestra from Colgate will play. Mrs. Frederick C. Ferry and Mrs. Nelson C. Dale will be patronesses.

VICTORY OVER SYRACUSE PROBABLE ON SATURDAY

Despite defeats in the last two weeks by Cornell and the Army, prospects are bright for a victory for the fencing team when it faces Syracuse next Saturday in the second home meet of the year. Last year the Orange brought an inexperienced team to face the Hamilton swordsmen and was unable to win a single bout. The Syracuse team has had a very disastrous season so far this year, losing to both the Army and Navy by scores of 15 to 2. Last Saturday they were defeated 16 to 1 by Cornell at Syracuse. Venner was the only Syracuse man to turn in a victory, beating Captain Hayes of Cornell in the epee. In the sabre events the Cornell men were extended to the limit although they won every bout. As Hamilton was defeated by Cornell and the Army only after close contests, it seems certain that the Buff and Blue should have little difficulty in returning to winning form.

—Arthur B. Maynard, '06, is spending some time in the East with his family. After graduation, he went into Mexico to assist in the development of mining interests. When the Revolution drove him out of that country, he went into the West and engaged in developing cattle production on the ranch. Maynard was a Pruyn Medal man in College, a teacher. a coal prospector in estern Mexico, and is now taking a vacation in New York State before returning to the life so strenuous in the West.
